

ORDINANCE# 980416.002

An ordinance providing procedures for any Village of Bear Creek directed work projects be approved by a majority vote at a scheduled City Council meeting prior to implementation or start of work.

WHEREAS, the Village of Bear Creek will wish to undertake various work projects to enhance, repair or develop the roads, drainage ditches, low water crossings, entrances and flood plain control or any other features within the Village of Bear Creek city limits.

WHEREAS, the Village of Bear Creek is required, by the TML Risk Pool (liability insurance carrier) to comply with all municipal, state or federal laws and regulations relating to work projects or Liability coverage could be denied in the event of a claim.

WHEREAS, the Village of Bear Creek could be held liable by any injured party or any property Owner if work done as part of a Village of Bear Creek directed work project does not comply with all municipal, state, or federal laws.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE VILLAGE OF BEAR CREEK, TEXAS:

1. All work projects directed by the Village of Bear Creek either by the City Council or a citizens committee shall be approved by the City Council prior to start of work or implementation of project.
2. All Village of Bear Creek directed work projects will be required to show that they meet or exceed all municipal, state or federal laws and regulations prior to submittal to the City Council for approval.

PASSED AND APPROVED, the 16th day of April, 1998 by the governing body of the Village of Bear Creek.

/s/ Erin Foster, Mayor

ATTEST:

/s/ Susan Lefler, City Secretary
